[നക്ഷത്രചിഹ്നമിടാത്ത ചോദ്യം നമ്പർ (2794) കാണുക]

Copy of letter No. 25246/A1/82/P.W. & E., dated 16-7-1982 from the Special Secretary to Government, Public Works and Elec. (A) Department, Trivandrum to the Chief Engineer (General), Trivandrum.

Sub.—Establishment—P. W. D.—Transfers and postings of Engineers—norms fixed—Orders issued.

Ref.—1. G.O. MS. 75/73/P.W. dated 5-4-1973.

2. Government letters No. 17662/A2/81/P. W. & E. dated 28-7-1981 and 53194/A1/80/P.W. & E. dated 25-8-1981.

In partial modification of the orders issued in the references cited, I am to inform you that the following norms will be followed in the matter of transfers of Technical Officers of the P.W.D. :—

1. Normally an officer will be retained in a post for a period of 3 years. The persons against who serious allegations are raised or disciplinary actions are contemplated are liable for transfer at any time relaxing the 3 years period.

2. General transfers will be made during May every year. During the current year, schools have re-opened and so there will be no further general transfers this year.

3. The Chief Engineer (General) will have a complete list of Officers particularly at the level of Assistant Executive Engineers and Assistant Engineers indicating details of service (i) in execution work and (ii) investigation, research, planning and as Technical Assistant in office;

4. Vacancies arising during the interim period till the next general transfer will be filled up with minimum disturbance. The vacancies will be considered in two groups indicated above and persons with maximum service in one group will as far as possible be posted to the vacancies in the other group;

5. The same principle will be followed during general transfer also i.e. persons who have fairly long tenure in execution work will be posted to research, investigation and design and office work and vice versa when their turn comes for transfer based on the three year rule. Preference will be given to graduates for design and research work;

6. No mutual transfer prior to the general transfer will be ordered.

LIBRARY ARCHIVES Kerala Legislative Assembly

7. Chief Engineer (General) will issue circular instruction to see that officers do not approach Ministers or Secretariate for transfers where transfer is to be effected as per the above norms by Chief Engineer (General). They will however be free to bring any violations to the notice of Government.

J. S. JESUDASAN,
Special Secretary to Government.

Copy of letter No. 7351/A1/83/P.W., dated 4-3-1983 from the Special Secretary to Government, Public Works (A) Department, Trivandrum to the Chief Engineer, General, Trivandrum.

Sub.—Establishment—P. W. D.—Transfers and postings of Engineers—Norms fixed—modification.

Ref.—Government letter No. 25246/A1/82/P. W. & E., dated 16-7-1982.

In continuation of the Government letter cited, I am directed to inform you that the following will be added to item No. (1) of the Norms for transfer of Technical Officers of the P. W. D. prescribed in the Government letters:

" However, for administrative convenience, an officer may be transferred after completion of two years in a post ".

T. KUMARAN THAMPI,
Joint Secretary
For Special Secretary to Government.

GOVERNMENT OF KERALA

Abstract

Establishment—P. W. D.—General Transfer and postings of Assistant Engineers and Junior Engineers in the P.W.D.—guiding principles adoption of—Orders issued.

Public Works (Estt. A) Department

G.O. MS. 75/73/PW. Dated, Trivandrum, 5th April 1973

ORDER

The question of laying down certain guiding principles in the matter of transfers and postings of Assistant Engineers and Junior Engineers in the P.W.D. has been under consideration of Government.

LIBRARY ARCHIVES Kerala Legislative Assembly

2. Government are pleased to issue the following guiding principles in the matter of transfers and postings of Assistant Engineers and Junior Engineers in the P.W.D.

(i) The Chief Engineer, General and Projects will immediately review the experience of Officers in the ranks of Junior Engineers and Assistant Engineers in the two branches viz. Irrigation and B & R and in particular in the fields of Investigation, Research, Design and other specialised activities in the two branches and will make transfers in all cases where persons have completed six years of service in a particular station (irrespective of the post he had held in that station) to posts outside that station but nobody need be retained in a post for more than 3 years or in a station for more than two terms of 3 years each.

(ii) In doing so, he will post persons who had been continuously working for 6 years in the Irrigation or the B. & R. branches respectively the periods of 6 months and less spent in another respectively the periods of 6 months and less spent in another branch not being counted as a break for this purpose, to posts in the other branch so that officers at the level of Junior Engineers or the Assistant Engineers got experience in both the branches, and

(iii) There are a few stations, viz. in the investigation Circle and at Aliyar in Tamilnadu. The Rule of 3 years may work hardship to the incumbents at these places. The persons working in such stations may be given transfers elsewhere after two years.

(iv) No transfers will be effected within one year of posting unless if becomes necessary for the purpose of promotion or administrative expediency.

(v) The above principles will be followed in respect of transfers and postings of Assistant Engineers and Junior Engineers in the Public Works Department to be effected in future.

(By Order of the Governor)
R. GOPALASWAMY,
Special Secretary to Government.
